Hello RPA Families!

This week will complete our first month of school!

Last week in the newsletter, I mentioned new staff members and new positions, but did not include myself. I am the new principal, Mrs. Hans (pronounced ‘Hawns’) and I am excited to be a member of RPA. I come from a charter school background in K-12 that started 8 years ago.

I love the passion and creativity that charter schools bring to the table and look forward to learning more about our school this year. Thus far, I have come to know many of our Knights. They are incredible human beings. I am looking forward to watching them grow this year.
