Hello RPA Families!

The next three weeks we will be administering the Oregon State Assessment. Starting next week, please make sure that your child(ren) are getting a good night’s sleep and eating breakfast.

If your child is going to Outdoor School (6th) or Ashland (HS), please take this week and weekend to prepare for those trips.

Announcements
- The deadline for opting out of state testing has passed.
- Please note that if your child is going to homework club, the office needs to be notified by 1pm on Tuesday. We have had quite a few last minute calls and it is difficult to get everyone where they need to be at the last minute.
- This Thursday is “Take your Child to Work Day.” If this is something you participate in, your child will need to submit an essay/report of their experiences during that day in order to receive an excused absence. Also, because we would love to hear all about it!
- New Conference Process: The process is a bit different this year. It is invite only. However, if you would like to set up a conference with your child’s teacher, please contact them directly.
- Ashland money due by May 1st.
- Outdoor School money is due April 29, Next Monday.
